The Serani Standard

Our Mission

Serani Export is a premier export-import house dedicated to bridging the gap between local excellence and global demand.

Our Specialization

We specialize in the sourcing, processing, and export of high-grade agricultural products, vegetables, fruits and seafood.

Our Promise

With a focus on transparency and reliability, we ensure that every shipment meets international standards.

Our Core Offerings

Premium Seafood

We offer a premium selection of fresh and frozen seafood, including high-grade fish and shrimp, sourced and processed under strict hygiene standards to maintain global quality.

Vegetables and Fruits

A vibrant selection of fresh, sustainably grown produce sourced directly from trusted farms to ensure peak quality.

Logistics & Trade

Comprehensive logistics, including freight forwarding and customs brokerage, to ensure seamless international delivery.

Why Partner With Us?

Global Sourcing & Quality Assurance

We leverage a vast network of trusted farms and manufacturers. Every product undergoes rigorous inspection before dispatch.

Seamless Logistics & Ethical Trade

We handle customs brokerage, documentation, and freight forwarding. We prioritize sustainability and fair partnerships.

Partner with Serani Export and let's build a prosperous future together.
